## **Academic Achievements**

### **School Achievement Report:**

We are immensely proud to share the outstanding academic and sports achievements of our students for the session 2024-25. Their hard work, dedication, and perseverance have brought great laurels to our institution.

### **Academic Achievements:**

Laiba Siddiqui has made the school proud by securing admission in MBBS, marking a milestone in her academic journey.

Nitish Singh has demonstrated exceptional academic excellence by earning a place at the prestigious IIT Kharagpur.

Mayank Dixit has achieved great success by securing admission in IIIT, Raipur.

### **Sports Achievements:**

#### **National Level Achievements:**

Grijesh Taram represented at the CBSE National Judo Championship (Under 19 Boys) held in Giridih, Jharkhand.

Umesh Sahu showcased his talent in SGFI National Football (Under 17 Boys) held in Srinagar, Jammu and Kashmir.

Suhina Yadav made us proud by participating in the AIFF National Football Championship (Under 17 Girls) held in Chandigarh, Punjab.

#### **State Level Achievements:**

Innamur Rahman displayed remarkable skills in SGFI State Football (Under 19 Boys) at Raipur, Chhattisgarh.

Saumya Mishra and Bhavya Lahiri excelled in SGFI State Football (Under 14 Girls) at Jagdalpur, Chhattisgarh.

Chunmun Sahu showed exceptional performance in SGFI State Football (Under 17 Girls) at Durg, Chhattisgarh.

Virat Yadav impressed everyone in SGFI State Football (Under 14 Boys) at Pendra, Chhattisgarh.

### **Other Sports Achievers:**

We would also like to acknowledge the contributions of the following students for their excellence and participation in various sports activities:

Ansheeta Parida, Shreya Vijay Raokadu, Vidya Sona, Akhil Jaiswal, Rudra Sahu, Chetan Sahu, Aditya Patel, Prashant Pandey, Kush Janghel, Ayush Nishad, Prateek Dubey

### **PTA (Parent-Teacher Association) Activities Report:**

The Parent-Teacher Association (PTA) plays a vital role in fostering a strong bond between parents, teachers, and students. This year, our PTA has been actively involved in various initiatives and activities aimed at the holistic development of students and the betterment of the school environment.

### **Key Activities Organized by the PTA:**

#### **1. Regular PTA Meetings:**

Regular meetings were conducted to discuss academic progress, student well-being, and school development plans.

Constructive feedback from parents helped improve teaching methodologies and learning environments.

#### **2. Workshops and Seminars:**

Workshops on Parenting Skills, Cyber Safety, Mental Health Awareness, and Career Guidance were organized for parents and students. Expert speakers were invited to provide valuable insights.

#### **3. Support for Academic Programs:**

The PTA actively supported various academic initiatives like science exhibitions, quiz competitions and awards were sponsored for outstanding students.

#### **4. Infrastructure Development:**

Fundraising events organized by the PTA contributed towards the enhancement of school facilities such as upgrading classroom technology and improving sports equipment.

#### **5. Cultural and Sports Events:**

The PTA played a significant role in organizing and volunteering during the Annual Day, Sports Day, and various cultural programs.

#### **6. Community Service Initiatives:**

Awareness drives on topics like environmental conservation, health and hygiene, and road safety were conducted in collaboration with the PTA.

### **7. Health and Wellness Programs:**

The PTA collaborated with local healthcare providers to arrange health check-up camps for students.

Sessions on nutrition, hygiene, and physical fitness were conducted for students.

## **Important SMC Decisions**

The School Management Committee (SMC) has played an integral role in shaping the development and progress of the school over the academic year. Several important decisions were taken to enhance the academic standards, infrastructure, and overall student well-being.

### **Key Decisions by the SMC:**

1. Academic Improvements workshops to promote holistic education. Strengthening of the career counseling cell for senior students.

### **2. Infrastructure Development:**

Upgradation of library facilities and setting up of few digital smart classrooms for Senior secondary level. Along with Improvement of sports facilities, including new equipment for football, volleyball, and athletics.

### **3. Student Safety and Security:**

Installation of CCTV cameras across the school campus. Enhancement of fire safety measures.

### **4. Teacher Development Program:**

Implementation of regular teacher training programs and workshops on modern teaching methodologies and innovative methodologies as per the NEP 2020 and NCF guidance.

### **5. Health and Hygiene:**

Introduction of quarterly medical check-ups for students. Special initiatives to maintain sanitation and hygiene, including awareness programs on health and nutrition.

### **Efforts in the Field of Environmental Education:**

Environmental education has been a major focus of our school's activities this year. We strongly believe that building awareness and responsibility towards nature is an essential part of a student's development. Several initiatives were undertaken like World Environment day, World Water Day World Earth Day to nurture environmentally conscious citizens.

## **Key Initiatives and Activities:**

### **1. Green School Campaign:**

Students actively participated in the "Green School" drive to promote sustainable practices such as reducing plastic use, conserving water, and maintaining cleanliness. Waste segregation practices were introduced in all classrooms and school premises.

### **2. Tree Plantation Drives:**

Multiple tree plantation drives were organized within and outside the school campus. Students planted saplings and adopted trees, taking responsibility for their growth and maintenance.

### **3. Awareness Programs:**

Special assemblies, poster-making competitions, and essay writing contests were conducted on themes like Climate Change, Save Water, and Beat Plastic Pollution.

### **4. Eco Club Activities:**

Our active Eco Club undertook projects like building a school garden. Awareness activities had conducted based on several topics such as organic farming, biodiversity conservation, and sustainable living were conducted.

### **5. Energy and Resource Conservation:**

Students were sensitized to conserve electricity by switching off lights and fans when not in use and Water conservation initiatives, such as fixing water leakages, were emphasized.

### **6. Plastic-Free Zone:**

The school declared itself a Plastic-Free Zone and encouraged students and staff to use eco-friendly alternatives like cloth bags and reusable bottles.
